Hosted by Peace Lutheran Church for the Deaf

July 13-16, 2017

here is the truth: Lots of situations are too big or too scary for you to handle, but nothing is too big for Jesus! Don't focus on the situation you are in. Focus on the One who has power over every situation

Application: How does this Focus on Jesus apply to you? Well, your family and friends know you. They know your faults and the mistakes you make. They know who you really are. But when you ask God to use you, when you step out in faith, and when you keep your focus on Jesus, He will do amazing things through you. This is what life in the kingdom of God is all about. You will do things you could never do on your own; you will love people who seem unlovable; you will have peace when it seems impossible. Then, you will be a living testimony for Jesus. The people who know you best will know that Jesus is the Lord of lords!

Welcome to the 2017 International Lutheran Deaf Association
24th Biennial Convention at Hilton Garden Inn, Indianapolis, IN
July 13-16.

We are so glad you are here with us for what promises to be our best and most memorable event yet.

We have packed all three days with speeches, exciting performances, workshops, trip to an amazing Ark Encounter, and the chance to meet amazing people from all over the country who are fighting for better media.

This weekend is about media, technology and democracy. It is about transforming our frustrations with the current media system into visions for a better one and a plan for action. It is about coming together, learning, making new friends and meeting new allies. It is about becoming part of an exciting, essential and historic movement at a crucial moment.

All of us at Free Press designed the convention to have something for everyone - whether you are just starting to explore these or are already an expert. So dive in to the sessions, soak up the speeches and performances, roll up your sleeves at a workshop, and do not forget to save a little energy for the banquet.

Get ready to inspire and be inspired. Better media starts here.
Get ready to Deaf Institute of Theology (DIT)?

International Lutheran Deaf Association

Welcome to 24th biennial convention of International Lutheran Deaf Association here in Indianapolis, Indiana. Our host, Peace Lutheran Deaf Church, feverishly works together and prepared this convention for us! I kindly thank the host committee in advance!

Last time they had a convention in 2001 with the theme, "Choose this day whom you will serve" from Joshua 24:15. Of course we know whom we serve to, To the Father, To the Son and To the Holy Spirit! We should honor and love all Three-in-One.

Today, 2017, the theme is "Focus on Jesus" from the book of Matthew. But immediately Jesus spoke to them, saying, "Take heart; it is I. Do not be afraid." Matthew 14:27. This beautiful theme is perfect for us.

Today, we mentally focus on so many things happening in your community, home state, our country, and the rest from around the world. When we watch and/or read the news, we focus on many happenings already have been done and sadly, most of the time, they are bad news.

Today, we physically focus on our health, your relatives' health and your friends near and afar. The infectious diseases are spreading among us. Some cured, some are treatable and some cannot be cured. Its does not matter how hard you try to avoid them, we all will get something. That's why doctors and researchers are working around the clock to find medicine to cure. Sadly, we will never cure them all.

Now, with Mental and Physical, that's just the mind and the body. What about our spiritually need? Every one of us has spirit inside our body and it's called soul. Our souls need to be focused. What do we need to focus on? The Holy Bible? To our heavenly Father, God? To God's son, Jesus? Yes all of above!

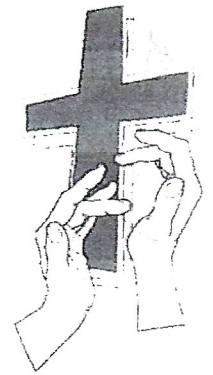

But wait! The host, Peace Lutheran Deaf Church, have something better for all of us here in this convention. So that we can focus on Jesus Christ, our Lord and we should not be afraid to learn more about him. The host will help us to focus crispy clear on our Savior and his purposes on earth.

Peace be with you my brothers and sisters in Christ, let's spend time together here in Indianapolis and we all can focus our Lord, Jesus Christ, Amen!

24th Biennial Convention
Indianapolis, Indiana

Dear Members of ILDA,

This is a great year of celebration! This October, we remember Martin Luther and the Reformation that began 500 years ago. Your theme, "Focus on Jesus" fits perfectly with the Reformation. The Bible leads us to see Jesus as the Son of God and our Savior. Martin Luther's work was preaching about Jesus and telling people the good news that God gives salvation freely through Him. Today, we continue to celebrate the life Jesus gives us and to focus on Jesus in our churches, our lives, and in our work and conversations with other people.

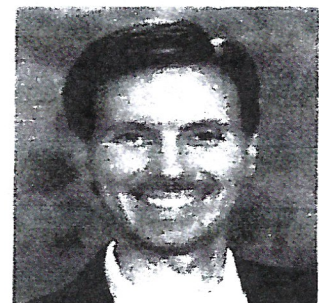

The Lutheran Deaf Mission Society rejoices with you in the life that God gives us through Jesus. We thank God for your partnership with LDMS. The money you have raised has done a lot to support mission work so more Deaf people can learn about Jesus, their Savior. Your work helps LDMS and Deaf congregations to reach more people, and to train Christians to be leaders in the church and witnesses for Christ.

Congratulations to the host committee on a job well done and for all their hard work! Members and friends of ILDA, enjoy your convention, and may God bless you now and always!

In Christ,

Rev. Tim Eckert

Greetings in a special anniversary of 500th-year Reformation

The International Lutheran Deaf Association Board would like to welcome all of you, faithful participants, presenters, guest speakers, clergy, and family members to this special convention featuring a special anniversary of 500th-year Reformation. Please convey your blessings to the host committee for its diligence and much efforts on that special occasion during the 24th ILDA Biennial Convention in Indianapolis! Most importantly, we are thankful to everyone who are supporting the ILDA in the Christian manner. Keep the faith, my sisters and brothers in the name of Jesus.

As you are aware, the entire world is watching this special anniversary of Martin Luther's 500th year Reformation via internet, global television, conventions, churches, social media, and mouth-to-mouth talks. Why it is so special? Historically, nobody challenged the supremacy of the Roman Catholic Church since the Great East-West Schism of 1050 was occurred. Over the centuries anyone who tried to challenge the Papacy was put to death in the most horrible manner and lost their property. The dominance of the Roman Catholic Church stayed unchallenged with fear for nearly five centuries. Until then, on October 31, 1517, Martin Luther's "*The 95 Theses*" challenged the authority of the Catholic Church. Martin Luther tried to help the Roman Catholic church by eliminating such unChristian practices like selling indulgences for profit for the Vatican. Martin Luther believed that the only path to salvation lay through faithfulness to Christ, not though the ideologies and dogmas of the Catholic Church. However, it is important to understand and remember that Martin Luther was not trying to criticize the Catholic Church. He was trying to get them to stop making off the business of salvation. Luther's *95 Theses* spread across Europe like wildfire. Luther suddenly found himself at the centre of the greatest conflict of his age. Two years later, Pope Leo X was not happy with Luther's accusation, so he demanded that Luther recant his heresy or face excommunication. However, Luther burned the Pope's letter and broke all ties with the Roman Catholic Church. This is one of the most critical history records we have learned.

All in all, we are looking forward to sightseeing a marvellous biblical tour, Noah's Ark outside of Indianapolis with entertainment and we are

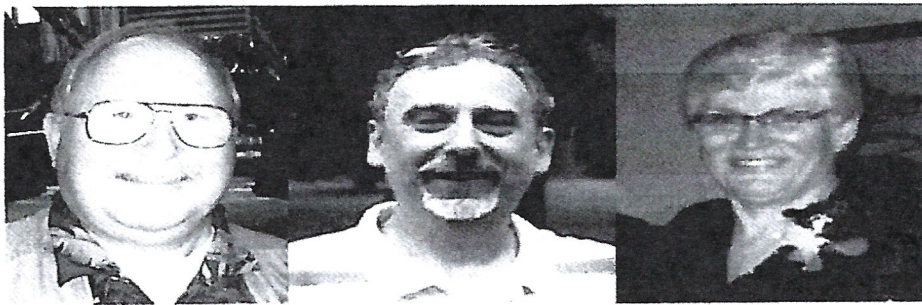

continuing learning God's Word in the name of Jesus Christ. We are excited to mingle and make new friends who share God's Word with each other. After the convention, please bring wonderful words with your extended family members and friends. Have a blessed and safe journey home!

Peace be with you. Rev. Gregory Desrosiers
