

GOD FULL MERCY, GOD FULL KINDNESS

1. GOD full mercy, GOD full kindness,
Show us true brightness in YOUR face;
Shine on us, O Savior, shine,
Fill YOUR church with light from heaven,
YOUR good news about sin forgiven
Spread to all people under heaven.
2. Let all people praise YOU, LORD!
Every soul now YOU adore;
Let all nations shout and sing
Glory to our Savior King,
Before YOUR feet our gifts offer
And from heart YOUR holy wish obey.
3. Let all people praise YOU, LORD!
Earth shall then all gifts grow!
GOD to people HIS blessings give,
People for GOD eager want for live;
All on earth and all above
Join with joy and light and love.

Amen.
