

LORD JESUS, THOU MY DEAREST FRIEND

1. My dear friend, YOU LORD belong heaven,
In us true love not always found;
We want more than we are given,
And we are not always faithful.
I must fight against selfish wants,
LORD Jesus, YOU are my dear friend.
2. O LORD, I like grass in wind,
YOU are my rock forever;
When I feel lonely and forsaken,
LORD Jesus, YOU are with me.
In YOU, my fears and doubts disappear,
LORD Jesus, YOU my only guide.
3. YOUR precious blood, YOU LORD, did offer,
YOUR life a payment, LORD, for me;
With nothing in my hand to offer
To YOU, who gave me much, much.
I with thankful signs adore, adore,
Thee LORD, now and forever more.

Amen
