

NOW OUR WORSHIP HOUR WE CLOSE

1. Now our worship hour we close
Teaching, learning, praying, singing,
Let us gladly GOD adore,
For HIS word our praises offer;
For HIS word and love HE gave us
Praise the LORD HE came to save us.
2. Now HIS blessing fills our heart,
Through HIS grace HE freely gives us,
Let us now with joy depart;
Give our souls to GOD'S good keeping,
And HIS Spirit now to guide us
And with all good gifts now bless us.
3. Bless your going out, we pray,
Bless our coming in with power,
Bless our bread, O LORD, each day,
Bless our work, our rest, our pleasure;
Bless our death in life's last moments,
Bless us then with life in heaven.

Amen
