

## **JESUS, GRANT THAT BALM AND HEALING**

1. Jesus, let comfort and make well  
I found in YOUR holy hurts,  
Every hour that I feel  
Pains of body and mind.  
Happen any sinful thought  
Tempt my weak heart for sin,  
Show that wrong and keep me  
For I not begin for sin.
  
2. Happen any bad wish or strong temptation  
Become more strong than body and blood,  
Let me think about YOUR suffering,  
And that break gets made good,  
Or happen devil hard force me,  
Let me then become careful,  
Saying "Christ got punished for me,"  
For the tempter fail and leave.
  
3. If the world leads astray my heart  
On the wide and easy road  
With its pleasure and sin appear pleasant,  
Let me think about the heavy burden  
YOU ago carried and patient  
For I run away from all not clean thoughts,  
Send away each wrong feeling,  
Quiet and blessed in my worship.

## JESUS, GRANT THAT BALM AND HEALING

4. Every wound that pains or grieves me,  
Through your red stripes, Lord, get made well;  
When I am weak, YOUR cross makes strong me,  
Giving new life to my soul,  
True your comfort makes sweet  
Every bitter cup I have;  
Because YOUR suffering pays for all  
And finished got my soul's salvation. Amen
