

HOLY SPIRIT, HEAR US

1. Holy Spirit, hear us
On now holy day;
Come to us with blessing,
Come with us for remain.

2. Come same YOU once came ago
To the faithful few people
Patiently waited
For Jesus' promise true.

3. Our dear Lord finished gone
To heaven ascended;
But HIS little children
HE not leave alone.

4. Now we hang on in faith
To HIS blessed promise.
Comforter, most holy,
Spread over YOUR power.

5. Make bright our darkness,
YOU become our light;
YOU make strong our weakness,
Spirit join all power.

7. Give that we may become
Baptized into Christ,
And day and night, dear Spirit
Get made perfect through YOU. Amen
