

COME UNTO ME, YE WEARY

1. "Come to ME, you tired people
And I will give you rest."
O holy voice belong Jesus
That comes to hearts troubled.
That tells about heavenly blessing,
About pardon, mercy and peace,
About joy that never finish,
About love that can't stop.
2. "Come to me, you travelers,
And I will give you light!"
O loving voice belong Jesus,
That comes for cheer our night.
Our hearts filled with sadness,
And we lost our road,
But YOU brought us joy
And songs with bright sunrise.
3. "Come to me, you weak hearts,
And I will give you life!"
O cheering voice belong Jesus
That comes for help during trouble,
Our enemy terrible and eager,
Our fight true hard and long,
But YOURSELF made us mighty
And more strong than strong.
4. "And who any comes,
I will not throw-out."
O patient love belong Jesus
That take-away our doubt,
And although we truly not worthy
For love wonderful and free,
Invites us helpless sinners come,
Dear Lord, to YOU! Amen
