

JESUS, LOVER OF MY SOUL

1. Jesus, Lover of my soul
 Let me go to YOUR arms
 During the troubled waters come near,
 During the wind continues strong,
 Hide me, O my Savior hide,
 Until the troubles join life finished;
 Lead safe into YOUR protect place,
 Oh, receive my soul at end!

2. I have no other protect;
 My without help soul depends on YOU.
 Forsake not, forsake not me alone,
 Continue support and comfort me!
 All my trust established on YOU,
 I bring all my help from YOU;
 Cover my without protect head
 With the shadow of YOUR protection.

3. Will YOU not attend my call,
 Will YOU not accept my prayer?
 See, I sink, I weak, I fall;
 See on YOU I put my trouble;
 Reach out YOUR mercy full hand to me!
 During I receive YOUR strength,
 I stand hoping against hope,
 Dying, and, see I live!

4. You, O Christ, true all I wish;
 More than all I find in YOU,
 Raise the fallen people, make happy the weak,
 Make well the sick, and lead the blind,
 Right and holy true YOUR name;
 Am all not right deeds,
 False and full sin;
 YOU full of truth and mercy. Amen
