

**JESUS, SAVIOR, COME TO ME**

1. Jesus, Savior, come to me,  
Let me always stay with YOU;  
Come and never depart from me  
YOU that reigns in my heart.
2. Lord, only you I always want,  
Nothing other can satisfy,  
Always I call to YOU:  
Jesus, Jesus, come to me.
3. Joys on earth can give no peace,  
Cannot make my hunger stop;  
Still I want my Jesus near,  
Then I always am happy here.
4. All things that make angels glad,  
In their beautiful clothes of glory,  
Only make me feel sad  
If I don't receive blessing from YOU.
5. You alone, my God and Lord,  
Are my glory and Savior,  
YOU have bled for me and died;  
In YOUR suffering I can hide.
6. Come, then, Lamb for sinners killed,  
Come and take-away my pain.  
Forever I cry to you:  
Jesus, Jesus, come to me!
7. Patiently I wait YOUR day;  
For YOUR gift, O Lord, I pray,  
That, when death shall come to me,  
My dear Jesus YOU will remain. Amen
