

**JESUS, THOU ART MINE FOREVER**

1. Jesus, truly mine for always,  
Dearer than all things to me;  
Never life, never death can't separate  
Those sweet ties that join us both.
  
2. All for me becomes sad and lonely  
When Jesus is not near with joy;  
While I sing to YOU, YOU only,  
Mine truly always happy life.
  
3. YOU alone truly all my important  
YOU truly died; now I can live  
YOU can give me important pleasure  
Because YOU forgave my sins.
  
4. Brightest jewels, prettiest flowers  
Loose their shining when YOU frown,  
Joy and peace, as sweet-smelling rain,  
With YOUR smile kindly rain on us.
  
5. Jesus, truly mine for always  
Never let me stray from YOU.  
While I weaken, let me never  
Throw away my important jewel.
  
6. Lamb of God, I now ask, pray YOU.  
Guard, support me, keep me strong.  
Let me now and always love YOU,  
Stay my everlasting life. Amen
