

**RENEW ME, O ETERNAL LIGHT**

1. Make me new, O Eternal Light,  
And let my heart become bright,  
Shining with light of mercy  
That comes from YOUR holy face.
  
2. Take away from me all wants for sin  
From all not clean thought make me clean.  
Oh give me power and strength, my God,  
For work against my wishing heart sin.
  
3. Now make me new heart, O Lord,  
For gladly I obey YOUR Word,  
And only want what YOU want  
With that new life now fill my soul.
  
4. Oh let me love YOU alone,  
And look for things that truly in heaven  
Until I stand before YOUR face,  
O light through YOUR mercy. Amen
