

**O MASTER, LET ME WALK WITH THEE**

1. O Teacher, let me walk with YOU  
In humble paths for serving free.  
Teach me YOUR secret,  
Help me accept difficult work, and frustrating responsibility.
  
2. Help me wake-up people with slow hearts,  
Giving some clear winning word of love  
Each me how lead straying people  
And lead them on YOUR homegoing way.
  
3. Teach me YOUR patience.  
Always with YOU, in near, sweet fellowship,  
In work, that keeps faith new and strong,  
In trust that victorious over wrong.
  
4. In hope that sends shining light  
Far-ahead of future's large way,  
In peace that only YOU can give,  
With YOU, O Teacher, let me live. Amen
