

O GOD OF MERCY GOD OF MIGHT

1. O God, YOUR mercy, YOU strong,
With love and pity much, much,
Teach us, always in front of YOUR sight
We live our life for YOU.
2. And YOU ago came on earth for die,
For sinful people can live through YOU,
Oh, hear us because to YOU we cry,
With hope, O Lord, to YOU.
3. Teach us lesson YOU since taught,
For feel for people YOUR blood finished buy.
Our every word and deed and thought
Let do work for YOU.
4. All people free, both far and far,
Because, O Lord, YOU ago died for all.
Oh, teach us, what any happens
To love all people in YOU.
5. In sickness, sadness, hardship, or trouble
Any what like that, that's ours for share,
Let we, where needed help, there
Give help as to YOU.
6. And let YOUR Holy Spirit lift, lift,
All people who live, live with love,
Until YOU will welcome in heaven above
All people who live for YOU. Amen
