

FIGHT THAT GOOD FIGHT

1. Fight that good war with all your strength
Jesus your power and Jesus your right
Now take HIS life and HE will become
Your joy and crown for always after.
2. Run that straight race through God's good mercy
Now look up and find HIS face
Life with much difficulty faces us now
Jesus our path and Jesus our prize.
3. Now bring your troubles to your Leader
Trust and HIS mercy will support
Trust and your trusting soul will prove
Jesus your life and Jesus your love.
4. Don't give up, don't fear, HIS arms now near
HE always same and HE loves you
Only believe and you shall see
Jesus truly everything to you. Amen
