

THE SON OF GOD GOES FORTH TO WAR

1. God, HIS Holy Son goes to war
For get King crown.
HIS blood red flag now see afar;
Who follows with Jesus now?
Who best can drink HIS cup full grief,
And triumph over pain,
Who patiently carries HIS cross on earth,
Himself follows with Jesus now.

2. Prophet first with clear see eye
That sees beyond grace,
For see HIS Lord in sky
And pray to Jesus for save.
Same prophet with forgiving in Jesus signs
During time terrible pain,
Prophet prayed for people that do wrong against himself,
Who follows with prophet now?

3. True glorious group those chosen few,
On them Holy Spirit came,
Twelve brave believers;
Their home themselves knew and mocked both suffering and flame.
Themselves met cruel sword,
And lions bloody head;
Themselves head bowed for die,
Who follows with them now?

4. True wonderful group with men and boys,
With women and with girls,
Around our Savior's throne rejoice,
Themselves all dressed with light.
Themselves walked hard road to heaven
Through danger work, and pain.
O god, give us true grace
For follow with them now! Amen
