

WE ARE THE LORD'S; HIS ALL-SUFFICIENT MERIT

1. We belong Lord-HIS;
Jesus' perfect life and holy work finished on cross gives us
HIS wonderful grace.
We belong Lord-HIS
And shall inherit all things. No-matter we live or die,
We belong Lord-HIS always.

2. We belong Lord-HIS;
Now let us gladly offer-give our lives to HIM
With doing, not only talk-talk.
Let heart and signs and life together give HIM
Show clear and true
We belong Lord-HIS.

3. We belong Lord-HIS;
No dark trouble covering us can't make us tremble-fear
While this star gives us
Strong light on path our future
Not weak show proves
We belong Lord-HIS.

4. We belong Lord-HIS;
Nothing bad can't defeat us in awful time of life here losing hope;
No pains joined death
Will never, never scare us.
Death we finished defeat because
We belong Lord-HIS! Amen
