

OUR FATHER, THOU IN HEAVEN ABOVE

1. Our Father in heaven above
YOU want us live in love same
As brothers in one family to pray to YOU
When we need help
Teach us not pray careless word
But from our heart pray honest to YOU.

2. YOUR name is holy, help us Lord
To keep YOUR word always pure
And we will give glory to YOUR name
By walking with you free from guilt
Let no false teaching fool us
And change our weak souls.

3. Give us now day our daily bread
And let us all be clothed and fed.
From wars and enemy defend us
From hunger and from illness.
That we can live in God's peace
Free from worry and selfishness. Amen
