

**BEHOLD THE SURE FOUNDATION STONE**

1. See now strong foundation stone  
God establishes in HIS church.  
We build our hopes for heaven on Jesus,  
And sing HIS praise forever.
  
2. God chose HIM; sinners love HIM much;  
Believers honor HIS name.  
We trust for all forgiveness in HIM,  
We shall not suffer shame.
  
3. Although foolish builders teach about laws  
Push-aside and don't-want Jesus,  
Now on that rock god HIS church shall stay  
And build on HIS dear name.
  
4. Although all devil angels oppose God  
HIS building must continue  
YOURSELF our builder, all strong God,  
YOUR work wonderful we see. Amen
