They go for make bound-soul become free,

For spread, spread YOUR Word in every nation.  
Remain with them and make them strong  
For sin make stop, make right from wrong.  
YOU control both wind and waves.  
And wondrous true your power for save.
  
3. When all their work seems worthless,  
Make strong their weak hopes again;  
And when success comes through their work,  
Then keep them humble, Lord, in heart  
Until before YOUR judging-throne  
They offer their gifts before YOUR feet. Amen
