

**RISE CROWNED WITH LIGHT**

1. Rise, you king group, and get crowned with light  
Your face attend and your eyes look to heaven  
The gates in heaven now open and we can see God's glory  
God's glory shines upon you more than light during day.
  
2. We can now see many people in heaven's throne place  
We can now see sons and daughters will get born  
They come to God's throne from every place  
And ask for life eternal in heaven.
  
3. We see now believing people waiting before the gate  
But they now stand under the light of God  
Kings from many lands come for kneeling before HIS throne  
And many people come for worshipping God.
  
4. The sea becomes dry and all sky disappears  
Rocks become dirt and mountains collapse  
Only the word of God remains for saving all people  
God's glory shall remain because King Jesus now reigns. Amen
