

JESUS SHALL REIGN WHERE'ER THE SUN

1. Jesus will rule any place the sun
Goes across the sky,
HIS kingdom spreads from land to land
Until moon will no more become small and large.
2. Prayers for HIM will never stop,
Always praises will crown HIS head;
HIS name, same sweet perfume,
Will rise with every morning worship.
3. People and nations join every language
Remember HIS love with most sweet song:
And baby voices will announce
Their first blessings on HIS name.
4. Blessings become many any place HE reigns;
The man in prison happy, HIS chains disjoined,
And tired people find always rest,
And all the people in need get blessed. Amen
