

IN THE HOUR OF TRIAL

1. During time my temptation,
Jesus, support me with prayer
Or happen through great sin
I leave from YOU.
When YOU see me have doubt,
With YOUR look call-back me,
No-matter I feel fear or kindness,
Don't let me fall into sin.

2. With forbidden pleasure
Here world try tempt me,
Or world tempt me with riches
Try for work harm against me,
Pop-up my memory
Sad garden place YOU suffered.
And show me worse sad picture,
YOUR cross on that hill.

3. Maybe YOUR mercy send me
Sorrow, work, and trouble,
Maybe happen pain
Stay with me during my life on earth,
Let that I will never
Fail YOUR hand for see;
Let that I will always
Throw all my worry on YOU.

4. When my last hour comes,
Full with suffering and pain,
When my body life finished
And body becomes dirt again,
I depend on YOUR true teaching,
During that last earth battle,
Jesus, during my dying,
Take me to eternal life. Amen.
