

BELOVED, "IT IS WELL!"

1. Believer, "All is well!"
God's doings are always right,
And perfect love is over believers all
No-matter we cannot see that.

2. Believer, "All is well!"
No-matter deep and bad our pain,
HIS hand that hurts knows how to help
And heal the broken heart.

3. Believer, "All is well!"
No-matter sorrow darkens our way,
It will only make the joy more dear [*cherish*]
That brings in the day.

4. Believer, "All is well!"
The path that Jesus walked,
No-matter rough and hard and dark,
Leads home to heaven and God. Amen
