

WHY SHOULD CROSS AND TRIAL GRIEVE ME

1. Pain and sorrow shall not hurt me.
Christ is near with HIS joy;
Never will Jesus leave me.
No one can take-away my place in heaven;
Long ago God's dear Son
Gave that place to my faith.

2. God maybe gives me heavy crosses,
And my heart feels the pain,
Yet I shall not give-up.
God gives help in every sorrow,
God knows good all my trouble
And the best help for me.

3. God often gives me days of gladness;
I must then be satisfied,
In the time of sadness.
God is good and helps me bear
All my trouble, and God will
Forsake me alone never.

4. Death can't destroy forever;
From our fears, trouble and crying
Death will free us truly.
Death will close the door to suffering,
Make a way for that we can
Enter heavenly glory. Amen
