

LORD, IT BELONGS NOT TO MY CARE

1. Lord, now life not first to me,
No-matter I die or live.
I only hope to love and serve YOU.
YOUR grace decides how-long I live.

2. If life stays long, I will be glad
That I can long obey YOU.
If life is short, no worker is sad
To end his hard-work, tired day.

3. Christ leads me through dark places
No worse than HE went through in past.
The believer enters God's kingdom
Through the door of death --- same-as Christ.

4. Come, Lord, when grace has made me ready
To see YOUR blessed face.
If we enjoy YOUR work on earth,
?How much better YOUR glory life seem?

5. Then I will stop my bad complaints
And stop my sinful days.
I join with all God's happy saints
And sing to Savior praise.

6. My knowledge of heaven's life is small.
My faith eyes now are dark.
I am satisfied because Christ knows all,
And I will live with HIM. Amen
