

THY WAY, NOT MINE, O LORD

1. YOUR way, not my way, O Lord
No-matter the way becomes dark.
Lead me with YOUR hand:
YOU choose the way for me.
Must not choose what happens;
Not want power for decide.
You choose for me, my God;
Then I will walk right.

2. YOU choose my friends for me,
My sickness or my health;
YOU choose my troubles for me,
My life poor or rich.
That choice, not mine,
Not mine in things either great or small;
YOU become my leader, my strength,
My wisdom, and my all. Amen
