

THROUGH THE DAY THY LOVE HATH SPARED US

1. All this day YOUR love has kept us,
Now we close our eyes in rest;
All now night we pray YOU guard us,
Let no evil bother peace.
Jesus, please our Keeper stay;
We find peace with trust in YOU.

2. We live on earth for a short time,
We must live with many enemies.
Keep us all from every danger.
In YOUR arms let us find rest.
And when life's sad day is past,
With YOU above we will rest. Amen
