

**SAVIOR, BREATHE AN EVENING BLESSING**

1. Savior, breathe an evening blessing  
Before our spirit rests in sleep.  
Sin and law-break we come confessing.  
YOU can save and YOU can make well.
  
2. Although destruction happen around us,  
Although the arrows passed around us,  
Angel guards from YOU surround us;  
We are safe because YOU are near.
  
3. Although the night remain dark and lonely,  
Darkness cannot hide from YOU;  
Jesus, YOU are never weary,  
Watches YOUR people everywhere.
  
4. Happen quick death this night come over us  
And our bed become our grave,  
Let us waken tomorrow in heaven  
Clothed in light and eternal life. Amen
