

**O LORD, WHOSE BOUNTEOUS HAND AGAIN**

1. O Lord, YOUR abounding hand again  
Poured YOUR gifts with plenty;  
YOU all world true support  
And all earth with YOUR good crown.  
Lord over harvest, here we confess  
All our joy true YOUR gift alone.
  
2. O let us never without thanks in heart  
Forget from YOU all blessings flow;  
Continue, Lord, YOUR heavenly grace give us;  
Continue teach us how much to YOU we owe.  
Lord, let our lives with works holy  
Answer YOUR care and show we belong yours.
  
3. Lord, let that we through faith in YOU  
With joy eternal life receive;  
YOURSELF continue guard each heart  
Through day and night YOUR servants keep,  
For all to YOU true joy shall give  
On your final harvest day, O Lord. Amen
