

PRAISE TO GOD, IMMORTAL PRAISE

1. Praise to God, for always praise,
For HIS love now crowns our days;
Kind Giver of every joy,
Let YOUR praise now lead our hands;
We owe God for everything
He makes all blessings flow.

2. For YOUR blessings on our fields,
For much growth our green places give,
Sheep make all our country white,
Golden bundles of beautiful growth
And for that our souls will say
Thanks and promise and holy praise. Amen
