

JUDGE ETERNAL, THRONED IN SPLENDOR

1. Judger always throned in glory,
Lord over lords and King over kings,
With YOUR living fire of judgement
From our nation clean, subtract bitter things;
Cover us from east to west
With true medicine of YOUR wings.

2. Always tired people want, want
For YOUR time that gives us freedom;
And our cities, crowded, noisy shout
And pray for our freedom
And farm houses and our forests
Silent pray for holy peace.

3. Give success, Lord, to YOUR working;
Change our darkness with YOUR light;
Feed YOUR tired and hungry people
With true richness of YOUR Word;
Make clean people of our nation
Through glory of our Lord. Amen
