

GOD BLESS OUR NATIVE LAND

1. God bless our dear home nation!
Strong let us always remain
During storm and night.
When terrible troubles come,
Come, ruler over wind and wave,
YOURSELF our dear nation free
Through YOUR strong power.

2. For nation our prayers now rise
To God above all skies;
In him we hope.
YOURSELF remain always near us,
Protecting with perfect watching,
To YOU with prayer we call, call:
God bless our dear home nation! Amen
