From that people none never awake for weep;
True quiet and peace-full rest,
Not bothered from our last enemy.

Become for that wonderful sleep worthy,
With holy trust for know and sing
That death now lost his terrible power.

For awake with all people God truly blessed;
Fear none, trouble none can't darken hour
That shows our Savior's loving power.

4. Asleep in Jesus! O for me

Safely shall my body remain in grave
And wait for call from heaven. Amen
