

THE WORLD IS VERY EVIL

1. Here world very evil,
Time true becoming late;
Be-careful and watch,
Judge stands before your gate;
Judge that comes with mercy,
Judge that comes with power
For stop all evil
For crown all right.

2. Arise-stand, good Christ-believer,
Let right each wrong follow;
Let sorrow about YOUR sin
To heavenly joy now lead;
To light that never becomes dark,
And needs not moon and sun,
That light new and golden
Shines from God HIS only Son.

3. Try, now, for get that glory;
Work, now, for receive that light;
Let hope and faith now receive that
Until hope and faith become seeing.
Rejoice, all people poor in spirit,
Lord HIMSELF shall us embrace;
HIS only, HIS forever,
We belong when we believe. Amen
