

OVER THE DISTANT MOUNTAINS BREAKING

1. 'Pop-up' over far-away mountains
HE comes last day with red sun-rise.
My soul hurry and wake from sleeping;
Hurry and sing and watch and pray.
That my Savior, that my Savior
On HIS bright coming-coming way.

2. Long-ago my Jesus promised come again;
My soul eager waits for me;
Life now dark and earth is boring for me
Here I don't see YOUR light.
O my Savior, O my Savior
?When will YOU come to me.

3. Saving for my soul is nearer;
Night fades and day approaches.
Please keep me in my humble place
Watching for you until I arrive,
O my Savior, O my Savior,
In YOUR bright land that YOU promised.

4. With my lamp fine kept and burning,
I study Bible prevent me straying from YOU;
Watching for YOUR happy coming-again
For bringing me to heaven home.
Come, my Savior; come, my Savior,
Short-time fast come take me home. Amen
