

LET THOUGHTLESS THOUSANDS CHOOSE THE ROAD

1. Let many people choose way
That leads their souls far from God.
Lord, one thing only make me happy
For live and die always stay YOURS.

2. With faith in Jesus I happy live
I get my life and all from HIM,
To HIM I give my disappearing hours
Serve only HIM with all my strength.

3. Jesus is always all I need,
To him I look, to HIM I pray;
HE will give me all things I need
Now on earth and during all future.

4. When my Lord will appear to me
HE will stop all my troubles here
And leaving sin, sorrow, death and pain
With Jesus I live, will live better after death. Amen
