

AND WILL THE JUDGE DESCEND?

1. ?Will judge come-down
?Must dead people arise
And not one soul escape
HIS all-knowing eyes?
2. And from HIS holy lips
Will this terrible sentence announce
And through large group blame-people
Spread dark thoughts-depressing.
3. Go from me, blame-people,
Into eternal fire
For wicked first prepared,
Place mercy never appear.
4. How will my heart patient carry
Terrible happening on that day
When earth and heaven before his face
Surprised will melt-disappear.
5. But before that trumpet shakes
Homes belong people dead,
Hear from bible cheering announce
That joyful news spread.
6. You sinners, seek HIS grace,
His anger we can't patient:
Run for protect under HIS cross
And find salvation in Jesus. Amen
