

**THE DAY IS SURELY DRAWING NEAR**

1. That day is truly approaching  
When God HIS Son will come  
And with HIS King-power appear  
For judge both bad and holy people.  
All play and laughing then shall stop  
When destroying flames will continue increase  
Exactly same as Bible truly teaches.
2. God HIS trumpet then all people will hear  
And all here earth shake.  
Then all people from their grave shall appear  
And from their sleep awake;  
But all people alive shall in that time  
Through almighty God his great power  
Become changed according HIS command.
3. HIS book opens then for all people,  
Written-proof truly showing  
Things each one did, both great and small,  
While ourselves on earth lived;  
And every heart all people shall know  
How each one lived on earth here  
In thought and words and actions.
4. O Jesus, YOU my debt finish pay  
And because my sin got face-slapped;  
In your book belong life  
O let my name also get written!  
I will not doubt; I trust in YOU,  
From devil you made me free  
And from all punishment.
5. Lord Jesus Christ, don't wait-wait,  
But hurry our salvation;  
We often tremble on our way  
With fear and trouble.  
Then hear us when we pray to YOU;  
Come, mighty judge, and make us free  
From every bad happening. Amen
