

**JERUSALEM, THOU CITY FAIR AND HIGH**

1. Heaven city, beautiful and high God,  
Let me go there  
My heart, desire go  
Not stay here  
Far above valley and mountain  
Far above field and land  
I desire with God  
Leave here world full pain.
  
2. True happy day and hour,  
When Jesus comes again  
See my Father's love and power  
HIS promise stay, true.  
My soul I give - HIM  
Because truly you will  
Lead us with kindness  
To our heavenly home.
  
3. Minute, quick true wonderful  
Saved from earth bind-tie  
God brings us there through the sky  
To there glory home  
And come down meet us here  
Blessed angel groups  
And welcome us to heaven.
  
4. O heaven, beautiful city;  
Now open YOUR gates for me  
Many times, ago, I desire for heaven  
But true I free  
From dark life full sad  
From dark empty world  
And god give-me happy  
Inherit my home. Amen
