

**O PERFECT LOVE**

1. O Perfect Love, YOU above all people's thoughts  
Humbly we kneel in prayers before YOUR throne,  
For they will have love that knows no ending  
Them YOU forever-more now join in one.
  
2. O Perfect Life, become YOU their full promise  
With tender gifts and continue faith,  
With patient hope and quiet brave suffering  
With trust like child that fears no pain or death.
  
3. Give them the joy that makes bright earth's sorrow.  
Give them the peace that calms all earth's trouble  
And to their life day give glorious unknown tomorrow  
That begins eternal love and life. Amen
