

O BLESSED HOME WHERE MAN AND WIFE

1. O happy home place man and wife
Together live a right life,
Through doings showing their faith!
There many a happy day passes, passes,
There Jesus will gladly accept
For staying with HIS blessing.

2. If husband and wife finish give HIM
Their heart always
For him each night and morning,
Then HE will make quiet troubles,
Will give comfort for every pain,
And change their sorrow to joy.

3. O Lord, we come before YOUR face;
To loving home, give YOUR grace
On father, mother and children.
Reduce their needs, make light their burdens,
Let them live in peace together
And love to one-another. Amen
