

GREAT IS THE LORD, OUR GOD

1. Wonderful is Lord, our God,
And let HIS praise become great;
HE makes HIS churches HIS home;
HIS most happy place.

2. These temples full HIS grace,
True beautiful churches continue,
And honors for our home towns
And defense for our nation.

3. In church people know God,
HE help in time trouble;
Very bright his saving work shines,
Very fine HIS love from heaven!

4. Past often our fathers tell us,
Past often our eyes see,
True very good our God protects HIS Church
Place HIS true sheep worship.

5. During every time now trouble
We will go to HIS house,
Remember again HIS wonderful grace,
And find our help there. Amen
