

JESUS, SAVIOR, PILOT ME

1. Jesus Savior, lead me
Over the troubled sea of life;
Waves not known roll before me.
Hide rock and changing ground.
Right way and leading come from YOU
Jesus, Savior, lead me.

2. Same-as mother quiets her baby,
YOU can quiet the ocean mixed waves;
Wind and waves obey YOUR wish
When you say to them, "Become quiet!"
Wonderful Ruler over the sea,
Jesus, Savior, lead me.

3. When at last I come near the shore
And the terrible waves sound
Between me and the peaceful rest,
Then, during I rest on YOU,
Let me hear YOU say to me,
"Fear not, I will lead YOU." Amen
