1. YOU light for not believe nations,
YOU Savior from above,
We get led through YOUR spirit
And come with happy love
Into YOUR holy temple
And wait with prayer full mind
Same YOUR servant ago waited
For find my GOD and Lord.
2. True, Lord, YOUR servants meet YOU
In every holy place
Where YOUR true Word finish promised
That we will see YOUR face,
Today YOU continue give us
Gather around YOU here
For hold YOU in arms of faith
Same that old prophet ago did.
3. You become our joy and brightness,
Our happy in pain and loss,
Our sun in dark fear,
And the glory around our cross,
YOU a Star for spirits sad,
A Light in trouble,
YOU Doctor, Friend, in sickness,
In death our happiness.
4. O Lord, let us continue faithful
Same YOUR servant to life's end,
For our prayer full praise
Can ascend from our hearts;

Leave in peace, I pray,
Because I finished seen my Savior
And here finished seen HIS day." Amen
