GLORY BE TO JESUS

1. Give glory to Jesus
   With bitter pains
   HE gave HIS life and blood for me
   From HIS holy body.

2. Grace and eternal life
   In that blood I find
   Give praise for HIS mercy
   Very much kindness.

3. For years never ending,
   Praise that precious blood
   From terrible punishment,
   That made the world free.

4. Let us lift our voices,
   With many, many angels
   And with thankful songs,
   Praise Jesus for HIS love to us sinners. Amen
