

MY HOPE IS BUILT ON NOTHING LESS

1. I build my hope on nothing except
On Jesus HIS blood and right doing,
I can-not trust other beautiful things
But fully depend-on Jesus HIS name.
On Christ that strong rock I stand
All other support is dirt, dirt falling.

2. When dark happenings hide HIS beautiful face,
I depend-on HIS never changing mercy
In every awful high storm,
My faith holds-to cross.
On Christ that strong rock I stand
All other support is dirt, dirt falling.

3. HIS death, HIS promise and blood
Now support me in that trouble life
Time every help on earth fails-fails Christ,
Then, is all my hope and protection
On Christ that strong rock I stand
All other support is dirt, dirt falling.

4. When Jesus will come with trumpet sounding
Oh, let HIM, then find me in faith
And always copy Jesus right doing
And have no blame stand before HIS throne.
On Christ that strong rock I stand
All other support is dirt, dirt falling. Amen
