

JESUS, LEAD THOU ON

1. Jesus, YOU lead us
Until our rest we get
And although way has no cheer,
We will follow calm and with no fear.
Lead us with YOUR hand
To our home in heaven.
2. Maybe our way is dark,
Devil is near,
Let not fear and grief overcome us;
Let not faith and hope forsake us;
Because through much sorrow
To heaven's home we must go.
3. When we seek get rest
From some long hard grief;
When temptations come near us,
Make us patient and support us;
Show us that bright place
Where we weep no more.
4. Jesus, YOU lead us
Till our rest we get.
Heavenly leader, still lead us,
Still support, rule and protect us,
Till we safely stand
In our home in heaven. Amen
