

WHO TRUSTS IN GOD, A STRONG ABODE

1. People that trust in God, a strong home
In heaven and earth have;
People looks with love to Christ above,
No fear our heart push-down.
In YOU alone, dear Lord,
We get sweet hope and comfort,
Our shield from enemies, our medicine for sorrow,
Our great and true salvation.
2. No-matter Satan's anger bother our path
And world cruel laugh against us,
While YOU are near, we will not fear;
YOUR power will never fail.
YOUR love will keep us safe
And guide our steps forever;
Not darkness of death or place of punishment
Our souls from YOU shall separate.
3. In all the battle or earthly life
Our feet shall stand strong;
Temptation's hour shall lose its power,
Because YOU shalt guard us true.
O God make new with heavenly rain
Our body, soul and spirit
Until we stand at YOUR right hand
Through Jesus' saving life. Amen
