

THOU WHOSE ALMIGHTY WORD

1. God, YOUR all strong Word
Confusion and dark saw
And quickly melted.
Attention us, we humbly pray;
And place Good News Word
Late shines with glory,
Let happen light.
2. God, YOU ago came,
Bringing with YOUR free love
Health and seeing power:
For mentally ill give health,
For blind souls give seeing,
Now to all people
Let happen light.
3. Spirit of truth and love,
Life giver, holy white Bird,
Hurry, now fly;
Fast over ocean wide,
Carry God's light of mercy,
And in earth's dark place,
Let happen light.
4. Holy and honored Three,
Glorious Three-in-One,
Wisdom, love, power,
Wide as ocean waves
Rolling with full glory,
Through all world far and near
Let happen light. Amen
